

# OVER DINNER

A lively panel discussion on death and dying.  
An open-invite community event hosted by Mayfield Business Association

## How do *you* want to die?

We believe that having conversations about dying can improve the quality of care that we, and the people we love, will get at the end of our lives. *Death Over Dinner* aims to encourage and inspire you to talk about death at the dinner table, rather than during an emergency when it's far too late.

**Join us!** The dinner table is the best place to break bread together and enjoy great conversation about anything, including the end of life!

**LIVE AS IF YOU  
WERE TO DIE  
TOMORROW.  
LEARN AS IF  
YOU WERE TO  
LIVE FOREVER.**

- Mahatma Gandhi
